	ripe and sound tomatoes with a good colour and flavour. Tomato concentrates shall have good flavour and odour, fairly good red colour and shall possess a homogenous (evenly divided) texture, characteristic of the product. The product shall be prepared by concentrating the tomatoes without the addition of sugar. The concentrate may be seasoned only with table salt but sodium bicarbonate, in such a quantity as to neutralize part of the tomato acids, may be added during concentration. The concentration shall be smooth in texture and free from all foreign matter and from skin, seeds and pieces of core. Must be halaal and Kosher certified. The product must be canned which must be free from other products that may lead to contamination and alter the quality, composition, flavour, odour and taste of the products. Containers shall be air tight and shall be provided with tamper-proof seals and closures. Containers shall preclude contamination with or proliferation or micro-organisms in the products during storage and transportation.									
15.26	Instant Fruit Drink Powder (Vitamin enriched) Product is an instant fruit flavoured drink powder enriched with Vitamin C that must be soluble in cold water. Various flavours must be available. The product must be free flowing and free from lumps. The product must, when prepared according to the manufacturer's		25kg	R_____
